

# D ANIKETH PATIL

Sri Jayachamarajendra College of Engineering  
Mysuru - 570006  
9113259077 | danikethpatil@gmail.com

## OBJECTIVE

---

Eager to learn and grow in a supporting environment and seek challenging opportunities where I can fully use my skills for the success of the organization.

## EDUCATION

---

- JSS Science and Technology University (Formerly SJCE), Mysuru  
Bachelor of Engineering, Computer Science - 8.69 CGPA
- Daffodils PU Science College, Sindhanur  
12th Percentage - 78.83
- Montessori Public School, Sindhanur  
10th Percentage - 83.6

## TECHNICAL SKILLS

---

- Python Programming language
- Object Oriented Programming in Java
- C Programming language
- Data Structures
- Web Technology

## PROJECTS

---

- Full Stack Blog Application

Used React Node.js, MySQL to build a blog application, enabling users to create, edit and delete blog posts along with the authentication features. The interface is user friendly and also empower users to seamlessly perform actions.

- Weather Forecasting Application using API

This weather forecasting application utilizes API (Application Programming Interface) to fetch real-time weather data from OpenWeatherMap. We have used HTML, CSS and JavaScript to build it. In this we can access information like temperature, humidity, wind speed. The application's user interface typically displays the current weather and forecasts in a user-friendly format, enhancing the overall user experience.

- Expense Tracker using HTML, CSS and JavaScript

Used HTML, CSS, JavaScript to build user friendly application to track the money expenditure on the basic needs, so that a person can keep an eye on his daily expenses.
